General Provisions		
Benefit	**AETNA Providers**	**All Other Providers**
Aither Advocate Phone Number	833.420.1910	
Benefit Period	01/01-12/31	
Deductible - Embedded Individual Family	 $1,500 $3,000	 $3,000 $6,000
Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. In Network and Out of Network deductibles are separate and do NOT cross accumulate towards each other.		
Member Pays - payment based on the plan allowance	20% coinsurance	50% coinsurance
Total Maximum Out-of-Pocket - Embedded (includes deductible, coinsurance, copays, prescription drug cost sharing and other qualified medical expenses. Once met, there is no cost sharing for covered services for the rest of the plan year). Individual Family	 $10,000 $20,000	 $20,000 $40,000
The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. In Network and Out of Network Out-of-Pocket Maximums are separate and do NOT cross accumulate towards each other.
